WHAT IS HR MANAGEMENT?

HRM is the strategic discipline of aligning people capability with business outcomes — attracting and selecting talent, building skills, designing rewards, protecting culture and ensuring legal compliance, all measured through data.

The HR value chain

Every module in this programme maps to one stage of this chain.

Talent Acquisition

Sourcing funnels, structured interviews, offer negotiation, quality-of-hire.

Performance Management

OKRs, calibration, continuous feedback, 9-box talent review.

Learning & Development

Skill taxonomy, TNA, blended learning, ROI of training.

Total Rewards

Pay bands, benchmarking, variable pay, ESOPs, statutory benefits.

HR Planning & Ops

Workforce planning, HRIS, shared services, process automation.

People Analytics

Attrition modelling, dashboards, HR metrics, predictive insight.

CORE HR FOUNDATION

Weeks 1–6 • industrial training modules with graded assessments

01

HR Fundamentals & Onboarding

HR operating models, employee lifecycle, onboarding journey design, documentation, induction analytics.

02

Company Policies & Governance

Policy architecture, code of conduct, POSH & anti-discrimination, records management, CSR, ethics.

03

Payroll & Benefit Administration

Payroll cycle, CTC structuring, reimbursements, benefit analysis, payroll audit controls.

04

Workplace Conflict & Employee Relations

Conflict typology, root causes, grievance redressal, disciplinary process, resilient culture design.

05

Human Resource Planning

Demand–supply analysis, forecasting models, headcount budgeting, ERP-linked planning.

06

Hard & Soft HRP

Quantitative vs behavioural planning, scenario modelling, HRP tooling and dashboards.

07

Recruitment & Selection

Sourcing channels, structured interviewing, BGV tools, ATS workflows, offer-to-join conversion.

08

Compensation & Employee Tax

Pay structure planning, incentives, PF/ESI/gratuity, professional tax, recent tax law changes.

ADVANCED & EMERGING HR

Weeks 7–16 · the modules that separate an HR executive from an HR strategist

People Analytics & HR Metrics

Attrition & flight-risk modelling, cost-per-hire, quality-of-hire, headcount dashboards in Power BI/Excel.

AI & Generative AI in HR

AI screening, JD & outreach generation, interview intelligence, bias auditing, responsible-AI guardrails.

HR Tech Stack & HRIS

Workday / SAP SuccessFactors / Darwinbox configuration, ATS & HRMS workflows, data hygiene, integrations.

HR Automation & Shared Services

Process mapping, ticketing & SLA design, RPA/no-code bots, employee self-service portals.

Organisation Design & Change

Operating models, spans & layers, ADKAR/Kotter change frameworks, restructuring & M&A people integration.

DEI, Culture & Employee Experience

Inclusive hiring, pay-equity analysis, ERGs, EX journey mapping, engagement & pulse survey science.

Strategic Total Rewards

Job architecture, benchmarking, variable pay design, ESOPs, executive compensation, hybrid rewards.

Labour Codes & Global Compliance

India's 4 labour codes, POSH, gig & platform workforce, GDPR/DPDP data privacy in HR.

Global HR & Mobility

Cross-border hiring, EOR models, expat management, cultural intelligence, global policy harmonisation.

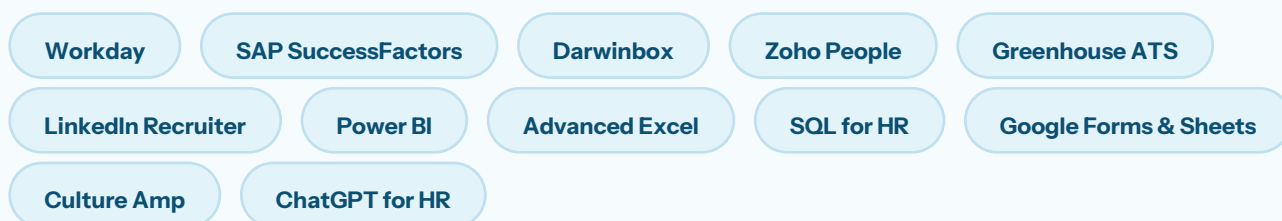

HR Business Partnering

Consulting skills, stakeholder influence, workforce planning with finance, board-level HR storytelling.

TOOLS & CAPSTONE PROJECTS

Tool stack you will actually operate

Six advanced capstone projects

01 Attrition Prediction Dashboard

Clean 3 years of HRIS data, build a churn model and a Power BI early-warning dashboard.

02 End-to-End Recruitment Drive

Run a live requisition: JD, sourcing, structured interviews, scorecards, offer closure.

03 Compensation Benchmarking Study

Build job architecture and pay bands for a 200-person startup against market data.

04 AI-Assisted Talent Screening

Design a GenAI screening workflow with bias checks and human-in-the-loop review.

05 Employee Engagement Diagnostic

Design a pulse survey, analyse drivers and present an EX improvement roadmap.

06 Labour Compliance Audit

Audit a mock organisation against India's labour codes, POSH and DPDP obligations.
